This report form is provided to help fulfill the Disciplinary Requirement of ¶ 358.5: "All retired clergy members who are not appointed as pastors of a charge...shall report to the charge conference and to the pastor all marriages performed, baptisms administered, and other pastoral functions. If they reside outside the bounds of the conference, they shall forward annually to the conference where membership is held a report of their Christian and ministerial conduct, together with an account of circumstances of their families, signed by the district superintendent or the pastor of the charge within the bounds of which they reside.
